What experts say parents should do:

- Be proactive vs. reactive
- Communicate & listen
- Share values and beliefs
- Set up guidelines proactively
- Set expectations when away
- Install filtering software
- Limit screen time, set unplugged time
- Periodically get a tour
- Learn texting & play video games
- Monitor your cyber footprint- Google
- Stop Cyberbullying
- Centrally locate the computer(s)
- Balance cyber-sleuthing
- Share passwords with parents, not friends
- Warn about Internet fraud
